

# Enterprise For **All**

**We are experts in self-employment support and we have projects in delivery across the UK.**

## Our Achievements at a Glance

We were the **DWP's largest provider of self-employment services**, delivering their 'New Enterprise Allowance' (NEA) contract across England & Scotland.

We've already helped **100,000** people set up their own business.

We delivered the 'Enterprising You' contract in Greater Manchester - over 50% of people on this programme have increased their combined turnover by £2.05m and 33% have increased their profitability, **collectively generating over £1m more profit.**

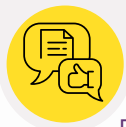

We're delivering the Enterprising West Yorkshire '**Be the Boss**' campaign to 18 schools.

We have very experienced **Business Advisors and managers** in place who are all entrepreneurs themselves.

Here we outline how you can **empower future entrepreneurs within your communities.**

## SEND/NEET -

Enterprise Support for Special Educational Needs Students and NEET Youths.

### Engaging Customised Workshop Sessions

**Comprehensive Enterprise programme:** 6-12 hours of interactive sessions covering business idea generation, planning and research, pricing strategies, marketing, and budgeting.

**Bespoke sessions:** Industry specific sessions designed to meet the unique needs of students with special educational needs (SEN) and those not in education, employment, or training (NEET).

**Real-world experience:** Hands-on activities and VR headsets to explore real businesses, making learning fun and engaging.

### Continuous Learning and Support

**Online learning platform:** Access to a dedicated website for additional support, networking opportunities and resources outside the classroom.

**Career pathway support:** Signposting to further support services and complementary programmes to ensure a comprehensive career development journey.

### Expert-Led Guidance

**Real-world applications:** Practical advice and insights tailored to each industry sector.

**Experienced Business Advisors:** Sessions delivered by seasoned professionals offering practical insights and personalised advice.

## Local Authorities

### Intensive Workshop Sessions

**Diverse Workshop and Webinar Sessions:** Comprehensive business topics, workshops and webinars covering wide range of topics including business planning, cash flow management, Facebook marketing, building business confidence, bookkeeping, and tax essentials.

**Flexible delivery:** Options for in-person workshops or online webinars to suit the needs of your residents.

### Continuous Learning and Support

**Online learning platform:** Access to a dedicated platform with resources, tools, and additional learning materials.

**Ongoing Advisor support:** Continuous access to experienced Business Advisors for personalised support and guidance.

### Expert-Led Guidance

**Experienced Business Advisors:** Sessions delivered by seasoned professionals offering practical insights and personalised advice.
